

Welcome to Compass

A guide for parents and families

Our school uses **Compass**
as our Parent Portal

What does Compass do for me?

Using Compass allows you to access up-to-date and meaningful information about our school and your child's progress. Compass includes many different features, including the ability to:

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar
- Monitor your child's homework and assessment tasks
- Download and view your child's progress and semester reports
- Book parent-teacher conferences
- Pay and provide consent for events and school fees

Our school will advise parents when each of these features becomes available for parent use.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps. Search for 'Compass School Manager' in the store.

Every family receives a separate login to Compass, which will be provided to you by our school. To access the parent portal, go to our school website and click the Compass link on the homepage.

Alternatively, if you are having trouble finding the Compass link you can go to <http://schools.compass.edu.au> where you can search for and find our school's direct URL.
